SKILLS

- Project Management
- Teamwork
- Time Management
- Effective Communication
- Python
- Java
- HTML, CSS, Javascript
- React and node js

LANGUAGES

- English (Intermediate)
- Hindi (Fluent)
- Gujarati (Fluent)

PROFILE

I am currently pursuing in BTech IT as a engineering student with a strong passion for cybersecurity, cloud computing, and cloud security. Alongside my academic journey, I actively explore emerging technologies, problem-solving, and innovation in the IT field.

Beyond technology, I have a keen interest in photography, capturing moments that tell stories through my lens. I believe in continuous learning and always seek opportunities to expand my skills, embrace challenges, and contribute meaningfully to the tech industry.

WORK EXPERIENCE

Cyber Protectors

JAN 2025 - APR 2025

Cybersecurity Intern

- Conducted vulnerability assessments and reported potential security threats using OWASP ZAP and Wireshark.
- Assisted in the development of secure APIs and implemented basic encryption protocols for web applications.
- Participated in daily SOC activities and incident response simulations.
- Completed multiple CTF (Capture The Flag) challenges focused on web exploitation, cryptography, and network security.

Emeet - Study Group Finder Platform

2024 - Present

Co-Founder & Developer (Hackathon Project) Mar 2025

- Lead frontend development using HTML, CSS, and JavaScript with Firebase integration for real-time data sync.
- Designed user-centric UI for dashboard, login/signup system, and forgot-password workflow.
- Implemented logic for group matchmaking based on course, timing, and preferences using Firestore.
- Collaborated with teammates under pressure during a 24-hour hackathon at Atmiya University.

EDUCATION

12th Science

2022 - 2023

School of Science | Sigma English medium School

Percentage: 100 / 56 %

Bachelor of Information and Technology

2023 - Present

School of Science and Technology | Atmiya University

GPA: 10.00 / 8.26
